- Thank God for the guests who came to the Service of Remembrance and Celebration and for the conversations that took place.
- Pray for Rebecca Ropp, whose early diagnosis is psoriasis of the liver. In addition, she took a fall last week, cracking the back of her head, and stretching the ligaments in her shoulder.
- Keep praying for Francis Miller, who is very weak from his cancer treatments, and for Peg, who is providing care.
- Pray for people who are struggling with addictions, mental illnesses, and life-threatening forces beyond their control. May God help them (and all of us) find the internal and external resources to love and be loved.
- **From the revolving North Main Prayer List:** Vera Leinbach and David and Judith Singer.

Missions:

Marisa Smucker, who has been working for Mennonite Mission Network's Church Relations team, began serving as the Mennonite Voluntary Service program director in June. Pray that God will provide wisdom, energy and joy for Marisa as she serves in this capacity.
