- Thank God for Berea Fellowship's decision to purchase the church building and houses. Pray for their witness in the community and for God's guidance for all those who are working out the details.
- Thank God for the opportunity to gather for one more fellowship meal on Sunday and the companionship we have enjoyed together.
- Pray for a safe and joyful time together for Staci and Lois and Clell Kandel as they travel to the Outer Banks with the rest of the family.
- Keep praying for Francis Miller, who is very weak from his cancer treatments, and for Peg, who is providing care.
- Pray for the rampant gun violence that has become so prevalent in American society. Pray especially for the healing of the victims in El Paso, Texas and Dayton, Ohio, and for the conditions that allow (and encourage) such violence.
- Pray that those returning to school this fall: students, teachers, and staff may have an environment in their school that helps them concentrate and make progress in learning and growing together. And pray for the parents (and grandparents) who support them.
- **From the revolving North Main Prayer List:** Lydia Miller and Bruce and Sandy Slabaugh

Missions:

The Ross Richers engage in two-way mission that has them living six months in Ecuador and six months in North America, where they share their journey of mutual conversion with congregations.
