- Pray for Berea Fellowship's witness in the community and for God's guidance for all – of them and of us – who are working out the details of the transaction.
- Keep praying for Francis Miller because he was taken to the hospital last Friday with blood clots in his lungs. Pray also for Peg as she continues to support him.
- Pray for one another to experience a joyful and meaningful transition to another congregation (even though it just won't be the same as being here).
- Pray for the 600 persons detained by ICE in Mississippi and for their families as they face the separation of children and parents. Pray that those who make and enforce decisions pertaining to the immigration system would act evenly and kindly (without partiality and malice).
- **From the revolving North Main Prayer List:** Amos and Betty Miller and Willie and Joy Slabaugh.

Missions:

Mennonite Mission Network is grateful to God and to Laura Schlabach who has served as interim executive director for JCS in Mongolia for the past year. Pray for Elisabeth Mensert who assumed executive responsibilities on July 1 and for Laura as she returns to former roles in the country where she has worked since 1993.
